

Manufacturer's Declaration

We,

**E-T-A Elektrotechnische Apparate GmbH
Industriestr. 2-8
D-90518 Altdorf,**

declare the following under our sole responsibility:

Concerning the applicability of the directive 2012/19/EU of 4th July 2012 regarding electrical and electronic waste devices (WEEE Directive – Waste Electrical and Electronic Equipment) and the applicability of the Electrical and Electronics Equipment Law ElektroG2, law for reforming the law governing the sale, return and environmentally sound disposal of electrical and electronic equipment (ElektroG, Elektroggesetz) of 20 October 2015:

The products of E-T-A Elektrotechnische Apparate GmbH are presently not subject to the application scope of the WEEE directive nor of the ElektroG.

Reason:

When used in accordance with their intended use, all E-T-A products are subject to the following exemptions according to article 2 paragraph 82) of the ElektroG2:

- Devices, which
 - a) are installed into another device, which is excluded from the scope of the law or does not fall into the scope of this law, as a part of this device and
 - b) which can fulfil their function only specifically as a part of this other device,
- large-scale stationary industrial tools,
- large-scale stationary facilities; the law, however, applies for devices, which have not particularly been designed as a part of this facilities and which are installed therein.
- transportation means for persons and goods; the law, however, applies to electrical two-wheeled vehicles for which a type approval is not required,
- mobile machines.
